## Enquiry/Lead

### 1

#### Enquiry/Lead

In Enquiry/Lead screen you can capture the leads that are generated from various sources such as Newspaper Advertisement, Internet Advertisement, Cold Call. Proper Management of lead information enables you to analyze and track product or source that generate more leads/enquiries. It also helps you to store the customer contact details in an organized way, so that it is easily available whenever needed.

## Entering First Enquiry/lead

1

Open **My-Enquiry/Lead** menu

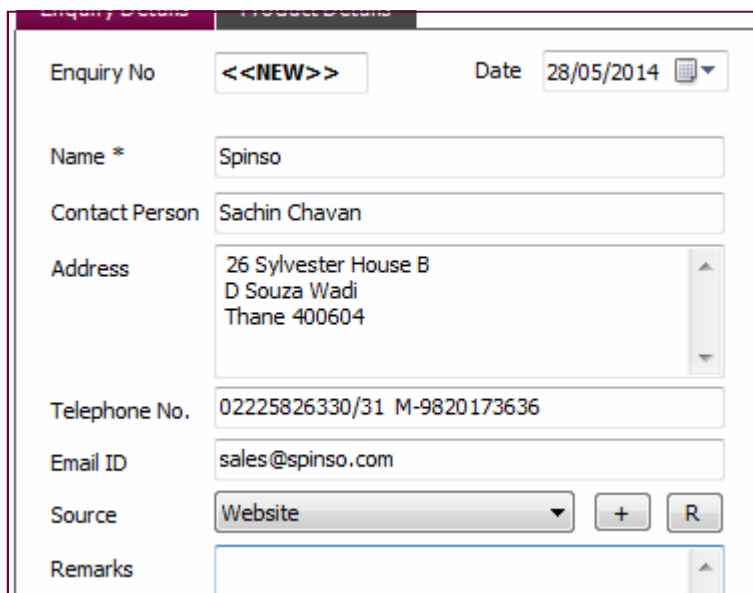

2

By default it would be in the <<NEW>> mode

3

Enter Enquiry/lead details

A screenshot of the 'Enquiry/Lead' form with the following details entered: 'Enquiry No' is '<<NEW>>', 'Date' is '28/05/2014', 'Name \*' is 'Spinso', 'Contact Person' is 'Sachin Chavan', 'Address' is '26 Sylvester House B, D Souza Wadi, Thane 400604', 'Telephone No.' is '02225826330/31 M-9820173636', 'Email ID' is 'sales@spinso.com', 'Source' is 'Website', and 'Remarks' is empty.

4

You can also enter product details (optional)  
To enter products, select **Product Details** tab

5

Click on **Add** Button

6

**Product Details** window would open, Select Product and select **Ok**

 A screenshot of a 'Product Detail' dialog box. It contains the following fields and controls:
 

- Product \***: A dropdown menu with 'Laptop' selected.
- Qty \***: A text input field containing '1'.
- Rate \***: A text input field containing '5000'.
- Amount \***: A text input field containing '5000'.
- Buttons: 'S', '+', and 'R' are located to the right of the Product dropdown.
- Dialog controls: 'Ok' and 'Close' buttons are at the top left and right respectively.

Selected product would be added to your list  
You can add more product by clicking on **Add** button

| Enquiry Details |     | Product Details |        |
|-----------------|-----|-----------------|--------|
| Product Name    | Qty | Rate            | Amount |
| Laptop          | 1   | 5000            | 5000   |

7

To save the details click on **Save** Button

8

You would see the following message **Enquiry No.1 Saved !**  
This indicates you data is saved and new number is generated  
for this enquiry that is 1.  
Click on **OK**

*For the next enquiry the number 2 would be generated*

9

You would see enquiry no 1 added

| Enquiry List |            |               |                     |                        |           |
|--------------|------------|---------------|---------------------|------------------------|-----------|
| Enquiry No.  | Date       | Customer Name | Contact Person Name | Address                | Telephone |
| 1            | 28/05/2014 | Spinso        | Sachin Chavan       | 26 Sylvester House ... | 022258263 |

You can also

- Modify Enquiry/Lead details
- Delete Enquiry/lead
- Search/Filter enquiry/lead list

# 7

## Follow-up

# 2

### Follow-ups

Most of the deals are lost to competitors due to less follow-up or over follow-ups. Proper management of follow-up information prevents leads, from going cold. Follow-up screen enables you to record the complete details of follow-up such as mode of follow-up if it is phone, email or a personal visit and so on, date and time of follow-up, brief about the communication done and the next follow-up details. It also provides you the entire history of lead follow-up in a single glance.

## Entering First Follow-up

1

Select the Enquiry from the **Pending for follow-up** List

| Pending for Followup <span>Show All</span> |              |               |                  |                |                    |
|--|--------------|---------------|------------------|----------------|--------------------|
| Enquiry No                                 | Enquiry Date | Customer Name | Address          | Telephone      | Next Followup Date |
| 1  | 28/05/2014   | Spinso        | 26 Sylvester ... | 02225826330... | 30/05/2014         |

2

Details of selected enquiry would be displayed in below **Followup Details** Tab

Followup Details

Name

Spinso

Contact Person

Sachin Chavan

Telephone

02225826330/31 M-9820173636

Email ID

sales@spinso.com

Product Enquiry For

Laptop

3

Click on **Add** button

Add

4

Enter the Follow-up details

Note : Select **Next follow-up date** this would be the date when you would want to be reminded for the follow-up. In the below case the system will remind me on 06/06/2014

Click on **Save**

Message appears **Record Saved**  
Click **Ok**

5

Note: Enquiry no 1 would be removed from the **Pending for follow-up** List and it will appear only after 06/06/2014. Hence even if you have 500 enquires, this list would only populate the enquires that are pending for follow-up

| Pending for Followup <span>Show All</span> |              |               |         |           |                    |
|--|--------------|---------------|---------|-----------|--------------------|
| Enquiry No                                 | Enquiry Date | Customer Name | Address | Telephone | Next Followup Date |

6

If you wish to view all open enquires then you can click on **Show All**, this would show all open enquires in the **Pending for follow-up** List

☒ Show All

| Pending for Followup <span>Show All</span> |              |               |                  |                |                    |
|--|--------------|---------------|------------------|----------------|--------------------|
| Enquiry No                                 | Enquiry Date | Customer Name | Address          | Telephone      | Next Followup Date |
| 1  | 28/05/2014   | Spinso        | 26 Sylvester ... | 02225826330... | 06/06/2014         |

You can also do the following

- Modify follow-up details
- Delete Follow-up details
- Search for enquiries/lead

# 8

## Closure

### 3

**Closure** After series of follow-up the lead is moved to the final stage that is closure. Managing closure details enables you monitor and track the overall sales performance. EQMS Lite lets you track the status of lead/enquiry i.e. **Booked, Lost** or **Cancelled** along with the status reason for winning or losing the deal.

1. **Booked** : When you win the deal, it is tagged as "booked"
2. **Lost** : When a deal is lost to a competitor, such leads can be tagged as "lost"
3. **Cancelled** : Lead can be cancelled in the following cases. If the prospect has enquired for the product, but has dropped his purchase requirement, Or duplicate data, can be marked as cancelled.

## Closing an Enquiry/Lead

### 1

Select the enquiry form the **Enquiry Closure** List

| Enquiry Closure |             |             |          |                      |                  |
|-----------------|-------------|-------------|----------|----------------------|------------------|
| EnquiryN        | EnquiryDate | EnquiryTime | Customer | Address              | TelephoneNo      |
| 1               | 28/05/2014  | 15:37       | Spinso   | 26 Sylvester Hous... | 02225826330/3... |

### 2

Click on **Update Enquiry** Button

### 3

Enter closure details

### 4

Click on **Save** Button

Update Enquiry Status

Save

Close

Date

30/05/2014

Status \*

Booked

Remarks

Discount of 10%

Product Details

| Product Name | Qty | Rate | Amount |
|--------------|-----|------|--------|
| Laptop       | 1   | 5000 | 5000   |

Total Amount

5000

#### Note

Once you update the closure status the enquiry would be removed from the closure list. Also the enquiry would not appear in follow-up as follow up action is needed for the enquiry.

# 9

## Reports

Reports give you the insight of sales performance.

The data in report can be exported to excel, for further visualization and analysis

You can use this data to build custom reports, pivots, mail merge etc

### View reports & Export to Excel

1

Select the report for the report list

2

Data of selected report will be displayed in the list

| Report     |              |               |                |                    |                  |                    |         | Enquiry List |
|------------|--------------|---------------|----------------|--------------------|------------------|--------------------|---------|--------------|
| Enquiry No | Enquiry Date | Customer Name | Contact Person | Address            | Telephone        | Email ID           | Source  | Amount       |
| 1          | 28/05/2014   | Spinso        | Sachin Chavan  | 26 Sylvester Ho... | 02225826330/3... | sales@spinso.co... | Website | 5000         |

3

Click on Export to Excel if you wish to export the data
